Forecast for Tuesday 10 Nov 2020

Weather: There will be some clear skies at first in the far north but quickly turning cloudy across the region. Chance of some light drizzle from the low cloud, along with mist and fog that will be slow to clear. Some heavy rain will reach the hills of Mull and Jura towards midnight.

Chance of cloud free mountain/hill tops above 800m: Briefly high at first in the far north but soon becoming low or very low across the region.

Visibility: Good at first in the far north but generally poor across the region. Improving into the evening.
